

Free Cookies Policy Template

What are Cookies?

Cookies are small files containing data like the username and password that are exchanged between the web server and the user's device to identify the users. Cookies policy is an extension of 'Terms and Conditions' structured to make the use of [\[website\]](#) transparent and secure.

Why do we use cookies?

Cookies allow us to recognize our users' behavior and to improve their browsing experience continually on the basis of insights from cookies database.

When you use [\[website\]](#), you agree with our 'cookies policy' also like you agree with our 'terms and conditions' and 'privacy policy'.

Types of cookies [\[website\]](#) can store and use

1. Necessary Cookies

The cookies in this category help us to offer you the best web accessing experience through friendly navigating. These cookies guide us to advance the features and functionality of [\[website\]](#) for our user's convenience and a better experience.

2. Functional Cookies

These cookies allow us to manage the [\[website\]](#) in accordance to the online behavior of users. We also use cookies to stop the activities that violate our policies and may degrade the quality of page experience of users.

3. Analytical Cookies

These cookies help us to build up a database for the statistical purposes; the analysis provides us insights about how the visitors use our website. These cookies don't contain any personal information like users' names and email addresses.
