Your Products is Listed in Yahoo Store Successfully.

Please Click on “Publish Options” Enter Your Product ID in “Publish Individual Pages” Section.

Publish Options

Publish Schedule Notifications

Publish Changes (Recommended)

Publish changes to pages that were edited since your last publish. In some cases a full publish may be required.

[Advanced](#)

Publish All

Publish all pages.

Publish Individual Pages.

Publish pages of your choice. Enter page IDs separated by spaces in the box below. This option allows you to make quick changes to pages you specify, independently of the rest of your storefront. Up to 100 individual pages can be published at any given time. If you exceed this limit a full publish will be required. For more information see [this help page](#).

Page IDs

You currently have 2 of 100 individual pages published.
